

## Sidmouth 2026 – Walking Holiday – Walks Programme V2

### PACKED LUNCHES

Some walks will require a packed lunch. Please order at reception the night before.

Ham or cheese sandwich (beef may be available depending on day of the week) vegan cheese available  
(White/granary bread mustard pickle etc can be added)  
1 piece of fruit  
1 bottle of water  
1 bag of crisps  
Pack biscuits/flapjack  
£12.00

This is a programme of suggested led walks for the group holiday 12-15<sup>th</sup> March 2026. Please note that members are free to do their own walks or to do Walks 8 & 9 on their own on any day. The RTVDs have been enhanced to include a contribution to car parking which is quite expensive on the coast.

### Thursday 12<sup>th</sup> March

#### **Walk 1 - Norman Lockyer Observatory 3.1 miles Grade 3**

Coastal walk to the observatory, about 1.5 miles, stiff climb. Return via roads 1.5 miles. Depart hotel 1pm, tour starts 2 pm. A short introductory talk about Lockyer & the observatory, followed by a planetarium show and historic telescope tour and visit to the Lockyer Technology Centre for live meteor detecting. Tour lasts 2 hours, cost £10 per person. Can be done by car on the way to the hotel rather than walking from the hotel. David Strange

Park: Postcode: EX10 0NY, GR: 140 883, ///depend.wishes.pinks

**Leader: Harry Britten-Austin    Depart Hotel: 13.00    Tour Cost: £10**
